Central Intelligence Agency
Washington, DC 20505

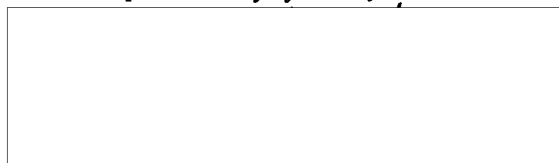

Dear Mr. Casey:

I am a recent graduate of the University of Wisconsin Law School. I am interested in finding work in the Philadelphia area, and wondered if there are any opportunities in the C.I.A.

I am taking the liberty of enclosing a resume. I am interested in research and analysis and have a science background which might be valuable. I have some knowledge of German, Spanish, and Arabic which I could refresh if necessary. I am fairly well travelled and would not object to field work under the right circumstances. However, as I stated, I wish to be based in the Philadelphia area primarily.

I would appreciate if you would forward this to the appropriate office. Writing samples are available on request as are recommendations. Thank you for your consideration.

Respectfully yours, ,
